ADRK	DRV
<p>HEALTH</p> <p>ED++ is approved for breeding.</p>	<p>HEALTH</p> <p>ED++ is unbreedable.</p>
<p>Within the scope of estimation of breeding value, HD affected dogs can mate.</p>	<p>HD affected dogs must mate only to HD free dogs.</p>
<p>Within the scope of estimation of breeding value, ED affected dogs can mate.</p>	<p>ED affected dogs must mate only to ED free dogs.</p>
<p>Suitable for breeding: HD+/- and ED+.</p>	<p>Suitable for breeding: HD free and ED free.</p>
<p>SPORTS</p> <p>Only judges of certain unions are admitted.</p>	<p>SPORTS</p> <p>All VDH/FCI judges will be admitted.</p>
<p>There is no free choice of judges. The same judge may only be invited to every 3rd test or after two years` time.</p>	<p>There is a free choice of judges for local working-dog tests. The same judge may only be invited to every 2nd test.</p>
<p>There is no restriction for the amount of tests one dog handler can pass.</p>	<p>A dog handler may present at a maximum 4 different dogs for a test per annum. Breeder, breeding communities and similar institutions are analogously considered dog handlers.</p>
<p>BREED</p> <p>Bitches retire from breeding having reached the age of 9.</p>	<p>BREED</p> <p>Bitches retire from breeding having reached the age of 8.</p>
<p>Without any restriction a random number of bitches can be bred.</p>	<p>A maximum of two bitches are to be bred in every kennel per quarter.</p>

ADRK	DRV
<p>By presentation of at least two reports (show or offspring) of different ADRK judges which were produced after the age of 8 months and which don't give proof of missing teeth, the dog is presumed to be of complete bite regarding incisors (Incisivi) and canines (Canini) for breeding (not for exhibition). Molars are not covered by this rule.</p>	<p>By presentation of at least two reports (show or offspring) of different DRV judges which were produced after the age of 8 months and which don't give proof of missing teeth, the dog is presumed to be of complete bite for breeding (not for exhibition).</p>
<p>Only ADRK-Rottweilers are approved for breeding.</p>	<p>1. Approved for breeding are FCI Rottweilers which successfully passed a ZTP according to DRV standards and are registered in the DRV's stud book. 2. FCI dogs from abroad are approved for breeding if they meet the ZTP requirements of the country in which they are at the time of mating.</p>
<p>MEMBERSHIP</p> <p>Members may only make a request via district groups or country groups.</p>	<p>MEMBERSHIP</p> <p>Each member may directly make a request.</p>
<p>HONORARY JUDGING COMMITTEE</p> <p>No jurisdiction. The ADRK's honorary judging committee is not authorized for jurisdiction.</p>	<p>HONORARY JUDGING COMMITTEE/ARBITRATION TRIBUNALS</p> <p>Serves as advisory committee for all members. As such, the honorary judging committee handles all legal issues before they are taken to an ordinary court.</p>
<p>Only a <i>Körmeister</i> can be elected HEAD OF BREEDING.</p>	<p>A breeding judge or breeding manager can be elected HEAD OF BREEDING. In addition a member that proves to have particular cynological knowledge in modern dog breed and genetics can be elected head of breeding, too.</p>
<p>Only a performance judge can be elected TRAINING DIRECTOR.</p>	<p>A performance judge or trainer can be elected TRAINING DIRECTOR. In addition a member that proves to have particular cynological knowledge in the training of working-dogs can be elected training director, too.</p>
